Newsletter

Thursday 2nd November 2023

Dear Parents and Carers,

I can't quite believe we are into our second half term already! Although the change in weather and leaves falling from the trees make the summer holidays seem like a dim and distant memory!

This half term is already looking very busy, so please do look at the dates and book them in your diary. You will notice the Parents Evenings are split over two weeks. You will note that the first week are by invite only. This session is for parents where children may have some additional needs. The following week is for all parents. The times for these sessions will be released tomorrow and will be bookable via the school spider app. If you do have any issues accessing this app, please do speak to your child's teacher who can support you with this. Parents of Reception children will be invited to a separate event to discuss their child's progress and targets.

There are a number of events for (dare I say it...) CHRISTMAS! The dates on this calendar are not an exhaustive list of all the events that the school are holding. More will be added in the coming weeks so please keep an eye on the newsletter and on School Story.

Please remember we are now featured in Tesco in Ramsbottom's Stronger Start poll. If you visit the store, please do get voting with the blue tokens- please spread the word to friends and family to ask for their support. Every little helps 😊

Thank you for all the donations for our Harvest appeal. We do realise times are very difficult for many families now and I am sure your gifts will help make the lives of local families that little bit easier. Our Head Boy and Head Girl delivered the donations to Ramsbottom Pantry, where they were gratefully received.

Although our Autumn Disco is only due to happen this evening, I would like to extend a THANK YOU to the staff and parents who have given up their time to put this event on for the children. Watch this space for the final fundraising total!

On a final, more personal note, I would like to thank you for all the messages of support and the feedback being offered as school continues to go through a period of change. I know changes to policy are never easy and I do appreciate all the support you are giving. The children at Stubbins are an absolute delight and they are thoroughly enjoying some of the changes already such as the enrichment programme, which we will share some more pictures of in the coming weeks.

Have a wonderful and safe Guy Fawkes Weekend.

Mrs Cromey

Awards- Empathy

Parents and carers of these children may join us in assembly tomorrow morning at 9am.

Year R: Stanley Schofield

Year 1: Lucas Houghton

Year 2: Nancy Gallagher

Year 3: Aurora Rosebank

Year 4: Otis Findley
