www.lancashire.gov.uk/schools

This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation and Academy Primary Schools in the Hyndburn, Ribble Valley, Burnley, Pendle and Rossendale areas. The policy for admission to Community and Voluntary Controlled Schools can be found on page 4.

For Voluntary Aided and Foundation Schools and Academies a summary of the admission policy is provided in this booklet under the entry for each school. Some of these schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.

These criteria will only be applied if the number of applicants exceeds the published admission number. A full version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

Where the school has a nursery class, the number of nursery pupils is in addition to the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE.

How do infant school to junior school transfers work? (Year 2 to Year 3)

In Lancashire, there are 5 infant and 5 junior primary schools. These are separate establishments but are closely linked.

These are:-

- Ribbleton Avenue Infants and Ribbleton Avenue Juniors (Preston)
- Leyland Methodist Infants and Leyland Methodist Juniors (South Ribble)
- Leyland St Andrew's CE Infants and Woodlea Juniors (South Ribble)
- Rosegrove Infants and Lowerhouse Juniors (Burnley)
- Whitefield Infants and Lomeshaye Juniors (Pendle)

If the junior school is able to admit all Year 3 applicants, then this will be arranged locally and will automatically happen each September. If, however, there are more applicants for Year 3 than available places (and anybody may apply for a Year 3 place – including new to area families), then a formal admission round will take place using the determined admission criteria (please see above).

For these pairs of schools, the sibling criterion will be applied across the full age range ie Reception to Year 5 for Reception and Year 3 admissions, and reception to Year 6 for in-year requests.

Update on Faith Commitment and Church Attendance Which Has Been Affected by the Coronavirus - Church of England Schools and Academies

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admission arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September.

These will, on occasion, increase where strategic place planning issues allow and/or where decisions can be implemented in time for the effective co-ordination of the admission process.

Admission Criteria for Community & Voluntary Controlled Schools

When a school is oversubscribed on parental preferences, then the following priorities apply in order:

1. Looked after children and those who have been previously looked after including those from overseas, then
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children with older brothers and sisters attending the school when the younger child will start.
4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria; is a straight line (radial) measure.

If the Local Authority is unable to distinguish between applicants using the published criteria (eg. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

When a primary school with a GPA is oversubscribed the following priorities will be applied in order:

1. Looked after children and those who have been previously looked after, including those from overseas, then
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children living within the school's geographical priority area with older brothers and sisters attending the school when the younger child will start.
4. Children living within the school's geographical priority area, then
5. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start, then
6. Children living outside the school's geographical priority area.

The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. twins or same block of flats), places will be offered via a random draw.

The distance measure is a straight line (radial) measure centre of building to centre of building.

1. Children in care (looked after children) and previously looked after children
2. Children with social, medical welfare reasons. Professional supporting evidence from e.g. A doctor, psychologist, social worker is essential if admission is to be made under this criteria. Such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
3. Children who have parents working at the school. Where the member of staff has been employed at the school for two years or more at the time when the application for admission is made or where he/she has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

- 5.. Children without siblings residing within the defined admissions area
6. Other pupils from outside the defined admission area

Tie-breaker

Where there are more applications than places available within a category, priority will be given on the bases of proximity to the school. The distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offer(s). In the case of flats, the flat nearest the ground floor will be deemed the nearest. Apartments in the same block will be treated equally with the measurement taken to the main entrance of the block. If after applying the distance tie-breaker there are more applications than places in the apartment block furthest away, a further tie-breaker of random allocation will be used for the applications in this block.

Our priority admission area comprises of: Accrington, Huncoat, Baxenden, Clayton-Le-Moors, Church and Oswaldtwistle.

In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offer(s). In the case of flats, the flat nearest the ground floor will be deemed the nearest. Apartments in the same block will be treated equally with the measurement taken to the main entrance of the block.

Where there are more applicants for the places available within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where two addresses have the same distance, or, the cut-off point is for addresses within the same building then the local authority's system of a random draw will determine which address(es) receive the offer(s).

Oversubscription criteria

When the number of applications received is greater than the number of remaining places available (after the admission of any pupils with a statement of special educational needs or an EHCP naming the school), the decision on which children will be allocated places will be based on the following oversubscription criteria, which will be applied in the order of priority set out below:

1. Looked after children and previously looked after children
2. Children whose exceptional medical or social circumstances mean that their needs can only be met at this school.
3. Children whose parent(s)/guardian(s) is regularly involved in the devotional life of St Anne's CE Church.
4. Sibling of a pupil already attending the school at the time the application is made and who will still be in school at the date of admission.
5. Children who attend the school nursery and who are eligible for Early Years Pupil Premium, the Pupil Premium or the Service Premium.
6. Children whose parent(s)/guardian(s) is regularly involved in the life and worship of a Christian Church (other than the Parish Church of St Anne's) which is a member of Churches Together in Britain and Ireland).
7. Other children.

Tie-breaker

Where there are more applicants for the available places within a category, the distance between the Ordnance Survey address points for the school and the child's home, measured in a straight line, will be used as the final determining factor, nearer addresses having priority over more distant ones.

- b) Children with special medical or social circumstances affecting the child where these needs can only be met at this school. Professional supporting evidence from a professional, e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school is question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- c) Children who have a sibling attending school on the date of application and the date of admission. Siblings include step, half, foster, adopted brothers and sisters living at the same address.

Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

To be eligible you must be receiving one of the benefits listed below:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999

- Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work

If you are receiving one of the above benefits, please ring the Area Education Office on 01254 220747. They can do an immediate online check for you.

We only require your name, date of birth and national insurance number to do this.

Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.

Definitions for Voluntary Aided & Foundation Schools & Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

DISTANCE

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance.

PARENTS / FAMILY MEMBERS

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

LOOKED AFTER CHILDREN AND PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

Timetable for Lancashire Primary Admissions 2022/23

The arrangements for the transfer of pupils to secondary schools in September 2021 will, as far as possible, conform to the following timetable.

Wednesday 1 September 2021	Apply from this date at www.lancashire.gov.uk/schools (Please remember to press the ‘submit’ button every time you leave the online system)
Saturday 15 January 2022	National closing date for primary applications (statutory).
During this period all applications are processed and all preferences are considered against the published admissions policy. Where there are more applications than places available, decisions are made as to which children should be offered the available places. We will liaise and exchange information with all other admission authorities including neighbouring local authorities. The allocation and offer of a secondary school place is finalised.	
Saturday 16 April 2022	Offers issued to parents*
Friday 29 April 2022	Deadline for requesting: <ul style="list-style-type: none"> • an appeal • a place on the waiting list(s)
Week commencing 2 May 2022	Distribute appeal forms to parents
Friday 13 May 2022	Appeal deadline for community and voluntary controlled schools** 1 st round of hearings. For voluntary aided, foundation, free and academy schools, please check with the school directly for their deadline date.
By Friday 8 July 2022	Appeals for community and voluntary controlled schools submitted by the deadline heard by an independent appeal panel

* If you are not happy with an initial offer the appeals period starts from your receipt of the offer. Appeal information will be issued later as this allows some time for waiting lists to operate.

**Appeals which we receive after the deadline will be slotted into the schedule where possible. We cannot guarantee this however, and late appeals may have to be heard after the agreed date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venue, etc.

The closing date for applications is Saturday 15 January 2022.

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2022 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2022.

Unfortunately, offer information cannot be given out by phone.
