*Learning and Growing Together*

We are planning to allow more children to join us from 22<sup>nd</sup> June.  
In order to keep everyone safer, please remember:

- **Your child can be dropped off at school anytime from 8:45am to 9:15am. We ask that only one adult accompanies your child.**
- **Generally, parents of Year 6 children are encouraged to drop their children at the school gate and not enter the school grounds, unless their child is distressed or has a particular need. A member of staff will meet them at the Junior door.**
- **Please ensure your child wears washable clothes, and that they are washed each night.**
- **Provide your child with their own water bottle and with their own healthy morning snack if they would like one.**
- **Avoid bringing anything unnecessary into school – we need to minimise home / school transmission.**
- **School dinners should be paid for a few weeks at a time, and preferably by cheque, in order to minimise the handling of loose change.**
- **Remember that your child will be in a group of no more than 15 pupils, and this group must stay the same (we cannot swap children around).**
- **If you wish to contact a member of staff, please do this initially by email / telephone. Face to face conversations should be kept to a minimum but can be arranged given prior notice.**
- **Your child can be collected anytime from 2:45pm – 3:15pm. We ask that only one adult accompanies your child.**
- **At afternoon pick-up, you must go to the appropriate entrance to collect your child. Please obey any distancing or one way signs.**
