Year 5: Ava-Grace Yates & Alice Bennett		
Year 6: Joshua Pollitt & Joseph Murray		
Last week's winning team colour was RED!		

Home / School Communication

Our current text messaging service will cease at October Half Term. From Tuesday 3rd November, when the children return to school, we will be using a combination of email and text message through our school website. If you have not yet provided your email for this purpose, please contact the school office. Many Thanks.

Pumpkin Hunt!

The PTA are organising a Pumpkin Hunt following the suggestion from Ava and Zara Lee (thanks girls!)

We need willing volunteers to carve a pumpkin and place in outside your house or in your window for the week of Halloween. We will also need your address so we can add it to our treasure map of Stubbins, Edenfield, Strongstry etc. Families can then walk or drive round following the map, ticking off the pumpkins they see.

It's tricky to organise events at the moment as we cannot have gatherings and the groups of six/households mixing etc. All these plans and rules are under constant revision so planning events is quite challenging. This suggestion is simply wonderful, get families out in the fresh air and have a bit of festive fun.

Please contact Claire Waterfall or visit the Stubbins PTA Facebook page if you are happy to be included on the map! Thank you ☺

Reducing Anxiety in Children: A Brief Group Intervention for Parents

Manchester University are doing some research with parents of primary school children. The aim of these sessions is to help you understand and manage your child's feelings of anxiety.

Who can participate?

- Parents of children who are experiencing anxiety, aged between 5-11 years.
- You will need an electronic device with access to the internet.
- Either one parent or both parents can volunteer.
- You will be asked to complete an online questionnaire to see if you are suitable for the study.
- The study will involve attending online interactive group sessions and completing some questionnaires during each session.
- You may also be asked to take part in an interview.
- Parents who attend all sessions will receive a £10 voucher as a 'thank you' for taking part.

The University of Manchester

If you think that you might be interested in taking part in the study, please contact the researcher, Charlie Jewell, on charlotte.jewell@postgrad.manchester.ac.uk or 07852 996553. She looks forward to hearing from you!

Stay Well ☺

Mr. J. DANSON
